REQUEST FOR EXPRESSION OF INTEREST FOR THE JOB OF ASSURANCE OFFICER

CoST, the Infrastructure Transparency Initiative (CoST Tanzania), works with governments, the private sector and Civil Society to achieve value for money in public infrastructure projects through enhanced transparency and accountability. CoST Tanzania is hosted by the National Construction Council.

One of the core activities of CoST is to undertake assurance of infrastructure project implementation data. Assurance involves verification and analysis of data to identify success stories and / or issues of concern that are then shared with the wider public.

CoST Tanzania wishes to recruit an Assurance Officer to manage Disclosure and Assurance activities. Professionals with experience in civil engineering processes, procedures and interested in the job may submit Request for Application Details to:

The CoST Manager
CoST Tanzania
C/O National Construction Council (NCC)
Samora Tower, Mansfield Street
P. O. Box 70039, DAR ES SALAAM
Tel: +255 739500313

The Request can be e-mailed to cost@ncc.go.tz but must reach the office of CoST latest 13:00hrs on 14th December 2018. CoST shall not be responsible for non-delivery of e-mails for whatever reasons.
